### **13-The Course is full**

Only the **Department Chairs** in Morris Hall 150 can *consider* permission for enrollment into a Business class that is full. Please see or email the Department Chair for the course in which you are trying to register for. Ex: Management course – see the Management Chair, Finance course – see the Finance Chair, etc.

**For all other error messages, go to the Registration Help Desk: Wigley Administration 132 (by Cashiers)**

### **A course did not transfer in as an equivalent *Business* course at MSU, Mankato**

If you feel the **content** of a course you transferred in should be equivalent to that of a Business course at MSU, but it did not transfer in on your DARS as an equivalent, you must bring the course description/syllabus to that **Department Chair** in Morris Hall 150. (Just because a class has the same name/title does not mean it is equivalent.) The Department Chair will determine if they will substitute the course or not. (Substitutions do not eliminate the need for a prerequisite override if the course you are transferring in is a prerequisite for a course you are trying to register for. You will still get the prereq error and will need to fill out the Prerequisite Override Form-see above.)
