Finance
College of Business
Department of Finance, Insurance, and Real Estate
150 Morris Hall • 507-389-1319
Chair: Harold Thiewes
The objective of the department is to prepare students for
eentry-level positions in finance, insurance or real
estate.
Five areas of emphasis are available within this major.
The undergraduate finance program deals with the
theory, organization and operations of the financial system
from both the social and managerial perspectives.
Students are expected to develop expertise in making
organizational and personal judgments and decisions involving financial data. Additionally, students present
their analyses in both written and oral form.
Students may select and complete one or more of the
following emphases: Corporate Finance, Institutional
Finance, Insurance, Financial Planning, Investment
Analysis.
Admission to the College of Business typically occurs
at the beginning of the student’s junior year. A
student must be admitted for permission to register for
300-400 level courses. A student can only expect one
temporary admission to the College of Business before
permanent admission.
1. GPA of 2.5 for admission.
2. Completion of 33 credits of general education
requirements. Consult bulletin for cultural diversity
requirements.
3. Demonstrated microcomputer competency by
successfully
completing COMS 101, Introduction to
Microcomputers, or equivalent.
4. Completion of ACCT 200, 210; ECON 201, 202,
207; MGMT 200; MATH 112; BLAW 200; Second
Year Experience 201.
5. Completion of math and English competencies.
6. Completion of, or in progress, 60 semester credits.
FINANCE, BS
Required General Education (7 credits):

POLICIES/INFORMATION
Students have an advisor from their area of interest assigned to them. Questions and concerns pertaining to advising and the assignment of advisors can be answered by Larry Herke, student relations coordinator, 151 Morris Hall, telephone 507-389-2963.
College of Business students must complete a minimum of 64 credits outside the College of Business.
Students who are non-business majors, business minors, or those who are not seeking a four year degree may not complete more than 30 credits in the College of Business.

Residency. Transfer students must complete a minimum of 30 resident credits at the upper division (300-400) in the College of Business.

Information Technology Initiative. Students with a Finance major or Financial Planning minor are required to lease a notebook computer from Minnesota State University, Mankato. Students who are majoring in other colleges but are required to take FINA 362 will be able to enroll in a non-notebook class offered once per year for non-majors/minors. For further information see the College of Business section at the front of this bulletin.

GPA Policy. Students must earn a minimum grade-point average of 2.0 (C) on the total courses taken in the College of Business to meet graduation requirements.

P/N Grading Policy. No more than one-fourth of a student’s major shall consist of P/N grades.

Assessment. The College of Business believes that the assessment of its programs makes a vital contribution to those programs and student learning. Student participation is an important and expected part of the assessment process.

Student Organizations
Delta Sigma Pi is a coeducational business fraternity organized to further the camaraderie of business students and professionals. Delta Sigma Pi provides members the opportunity to network with current business students and alumni throughout the United States.
The Finance Club provides students with a direct link to professionals employed in finance, insurance, or real estate positions. This is a professional and social club and all majors are welcome.
The Financial Planning Club is a student chapter for the International Association for Financial Planning (IAFP) at MSU. It maintains strong ties with the IAFP-MN chapter, as well as with other practitioners in the field.
The Council of Student Business Organizations (COSBO) which is comprised of the presidents of the seven organizations and the college representative to the Student Senate, works directly with the Dean’s office in the coordination

2001-2002 Undergraduate Bulletin
of activities of the various organizations and sponsors activities of their own.
