The objective of the department is to prepare students for entry-level positions in finance, insurance or real estate. Five areas of emphasis are available within this major.

The undergraduate finance program deals with the theory, organization and operations of the financial system from both the social and managerial perspectives. Students are expected to develop expertise in making organizational and personal judgments and decisions involving financial data. Additionally, students present their analyses in both written and oral form.

Students may select and complete one or more of the following emphases: Corporate Finance, Institutional Finance, Financial Planning and Insurance, Investment Analysis.

Admission to the College of Business

Admission to the College of Business typically occurs at the beginning of the student’s junior year. Once admitted, the student may choose to pursue a degree in one or more of the following: Accounting, Finance, International Business, Management, or Marketing. Multiple criteria will be considered for admission to College of Business. Admission is competitive; meeting minimum requirements does not guarantee admission. Deadlines for application are: October 1 for Spring Semester and March 1 for Fall Semester.

Criteria Considered for Admission to the College of Business

1. GPA: minimum 2.5.
2. Credits and Courses: 33 completed credits of the 44 general education requirements; completion of the following courses: COMS 101 (COMS 110 for MIS majors), MATH 112, ACCT 200, BLAW 200, MGMT 200, Second Year Experience 201, ECON 201, ECON 202, ECON, 207, and ACCT 210.

POLICIES/INFORMATION

Advising: Advisor assignments are made in the College of Business Advising Center. Students have a faculty advisor from their major area of interest assigned to them. Students can also seek advising assistance in the College of Business Advising Center. Questions and concerns pertaining to advising and the assignment of advisors should be directed to the College of Business Student Relations Coordinator, 151 Morris Hall, telephone: 389-2963.

Information Technology Initiative: Students with a major or minor in the College of Business are required to acquire a notebook computer with a standard set of applications from the Campus Computer Store at Minnesota State University. Students who are majoring in other colleges may be able to enroll in non-notebook classes as they are offered. For further information, please refer to the College of Business section at the front of this bulletin.

College of Business Policies: College of Business majors must complete a minimum of 64 credits outside the College of Business. ECON 201, ECON 202, ECON 207, COMS 101, MATH 112, and BED 345 are outside the College of Business.

Students who are business minors, non-business majors or those who are not seeking a four year degree may take up to 28 credits in the College of Business. Students must be admitted to a College of Business to be granted a Bachelor of Science degree in any College of Business major.

Residency: Transfer students must complete a minimum of 30 resident credits at the upper division (300-400) level in the College of Business at Minnesota State University, Mankato.

Transfer students pursuing a major or minor in the College of Business must complete at least 50% of their major or minor coursework at Minnesota State University, Mankato.

No more than three of the required nine courses in a track may be transferred from another university and be applied toward the finance degree, if a student is to be awarded a degree in finance from MSU.

GPA Policy: Students must earn a minimum grade point average of 2.0 (C) on the total courses taken in the College of Business to meet graduation requirements.

P/N Grading Policy: No more than one-fourth of a student’s major shall consist of P/N grades.

Assessment Policy: The College of Business believes that the ongoing assessment of its programs makes a vital contribution to the quality of those programs and to student learning. Student Participation is an important and expected part of the assessment process.

Internships: Students are encouraged to participate in business and industrial organizations through internship programs. Internships are available during the junior and senior years. Students interested in internships should interview early with the internship coordinator for enrollment in this program.

Student Organizations Delta Sigma Pi is a coeducational business fraternity organized to further the camaraderie of business students and professionals. Delta Sigma Pi provides members the opportunity to network with current business students and alumni throughout the United States.

The Finance Club provides students with a direct link to professionals employed in finance positions. This is a professional and social club and all majors are welcome.

The Financial Planning Club is a student chapter for the International Association for Financial Planning (IAFP) at MSU. It maintains strong ties with the IAFP-MN chapter, as well as with other practitioners in the field.

The Council of Student Business Organizations (COSBO), which is comprised of the presidents of the seven organizations and the college representative to the Student Senate, works directly with the Dean’s office in the coordination of activities of the various organizations and sponsors activities of their own.
