

ACADEMIC PROGRAM

Online Business Leadership Graduate Certificate

MBA Master of Business Administration

MINNESOTA STATE UNIVERSITY

Are you looking to further your career? Earn a graduate certificate in Business Leadership by enrolling in this innovative and career-ready program. This stand-alone certificate program can also be used for completing courses for the Master of Business Administration (MBA) program at Minnesota State University, Mankato.

- The certificate program consists of five 2-credit classes and focuses on both understanding and practicing the skills critical to effective performance as a leader in any organization. It also provides opportunities to learn and interact with successful leaders. This certificate will enhance student's skills to further their career, obtain another job, or change careers by providing a post-baccalaureate credential.
- The certificate enables enrollment without applicants needing to meet the entrance requirements of the MBA program. Students completing the certificate may continue in the MBA program providing entrance requirements are met for the MBA.

Business Leadership Certificate qualifications:

- Have a bachelor's degree or equivalent
- Enroll in the University's College of Graduate Studies
- Maintain a B average
